Dear Parent/ Carer,

Re: Class Charts – phased launch

We are pleased to advise that our phased launch of *Class Charts* has been very successful and we are now preparing for a whole-school launch.

Very soon you will receive an 'invite' to **download the parent/carers app via your registered e-mail**. If you are concerned that the email address we have registered may be out of date or has recently changed, please contact Morrison@hwbcymru.net.

In the next few days, Form Teachers will provide pupils with a personal 'pupil access code' which they should keep safe and information about how they can access their Class Charts 'Student' account. *We would remind all of our strict 'no-phone policy' so would not expect to see pupils accessing their Class Charts via personal mobiles at school.* Pupils should always speak with their Form Teacher who is their first point of contact. Any general or technical questions should be directed to Morrison@hwbcymru.net.

To access the account, pupils are encouraged to:

1. Visit www.classcharts.com/student/login
2. Select 'student' (*not teacher or parent*) login
3. Type in their 'pupil access code'
4. Enter their date of birth

This online software programme is helping us to monitor and record a variety of behaviours and events in support of our *Ethos for Learning* at Morrison. You can read more about how we are recognising, encouraging, rewarding and reporting on pupils' positive attitudes to learning by accessing our website: <https://morrisoncomp.co.uk/ethos-for-learning/>.

If you have any comments or would like to discuss our ethos for learning in greater detail, please do get in touch! You can contact me directly via email - WilliamsSI44@hwbcymru.net.

Cofion gorau/ All best wishes,

Dr Samuel L Williams DProf (EdD) FCCT

Pennaeth Cynorthwyol | Assistant Headteacher (Learning and Teaching)
