27th October 2023

Dear Parents/Carers,

The Y11 mock exam series is scheduled to take place from Monday 27th November to Monday 4th December. The mock exams are a vital part of our learner's preparation for future exam series, especially the summer series which starts on Thursday 9th May 2023.

During the mock exam series, many exam-based subjects will be running an exam similar in structure to the final examination of each course. Each learner should be asking their teachers for revision resources and strategies to use to develop their study skills and identify what revision techniques work best for them. The Morriston Comprehensive Revision Guide is a good starting point to identify and trial different strategies.

Learners should make sure they have the necessary equipment for each exam, which includes a clear pencil case, black biros, pencils, geometry set and a calculator when allowed. Exam kits are available at the school and can be purchased through iPay or purchased through the Class Charts Rewards Store. Learners will be expected to follow all WJEC and JCQ exam protocols, including no watches of any form or phones in the exam venue.

Please feel free to contact me if you have any further questions.

Yours sincerely,

Mr I. Mathey
Assistant Headteacher
