15th April 2024

Dear Parents/Carers,

As we approach the start of the summer series of exams, I hope your child can maintain the determination and resilience needed for success. I'm sure with continued revision and preparation during this term, they will get the results they deserve in August.

To help with exam preparation, some revision classes are running during the lunch break and after school across a range of subjects. Please encourage your child to make sure they have the resources needed for effective preparation and that they attend any revision sessions from the following schedule of revision sessions, relevant to their exam needs.

Many Thanks

Mr I. Mathey
Assistant Headteacher
